

Eyesight Assessments Fleet Driver Certification of Recommendation

Employee name:	
Location:	
Division:	
Test Date:	
Recommended Date of Next Test:	

[Relevant manager] must ensure adequate eyesight tests are carried out on employees or potential employees expected to operate all [organisation] owned or leased vehicles. Eyesight tests for vehicle users/operators are compulsory upon commencement and at two (2) yearly intervals.

Agency workers will, by contractual agreement with employment agency providers, have undergone an eyesight test prior to commencement of work for [organisation].

The results of the driver eye examination are as follows:

- The above named person requires spectacles for general everyday use and should wear appropriate spectacles for driving.

- The above named person does not require spectacles for driving.

Name of opticians/company carrying out the test:	
Full postal address:
